November 1, 1956 - July 6, 2025

Joann Fellinginger

Loving wife, mother, grandmother, sister and friend.

Joann Fellinginger of Washington Township, MI, passed away on July 6, 2025, at the age of 68. She was surrounded by family and friends at Corewell Health (William Beaumont Hospital) when she was called to God.

Born in Rogers City, MI, on November 1, 1956, Joann was the seventh child of the late Watson and Angeline Hentkowski (Chojnacki). Growing up on a farm in Posen, MI, she was raised with a strong sense of family values that she carried with her through her entire life.

Joann was passionate about advocating for her family. She spent much of her time catering to holidays and social functions. She loved organizing gatherings, initiating quality time with relatives and friends. She took great pleasure in spending time at the treasured lake house during the summer months with Tony, her beloved husband and soulmate of 32 years.

A Summa Cum Laude graduate of Walsh College, Joann was a retired Senior Relationship Manager for Mass Mutual Financial Group, forging a reputation as a strong leader and mentor. That admiration and respect were prevalent in every aspect of her life and were highly regarded by every person she shared a connection with. She chose to be an organ donor, whose donations through Gift of Life will continue to save lives even after her passing.

Joann is survived by her loving husband, Anton Fellinginger, daughters Katy Wojtaszek and Kelly (Josh) Hartley and granddaughter Gwendolyn Hartley.

One of a family of 11 children; survived by siblings Raymond (Pat) Hentkowski, Judy Scott, Richard Hentkowski, Ken Hentkowski, Charlene (Don) Sheldon, Monica Simmons, Marylou (Jeanette) Henderson, Missy (Jeff) Cornett and Marie (Fred) LaPointe. Joann is welcomed hereafter in paradise by her sister Barbara Wright, alongside their parents.

“ Joann and I were classmates. The first time I ever spent the night away from home it was with her. We begged our moms for days! Finally I went home with her on the bus and back to school the next day the same way. I remember how excited she was showing me the farm. We were so tiny we fit in the bathtub together that night to wash off all the dirt our adventures had layered on us. We reconnected a couple years ago - around the time she and Tony got married. We had lunch last summer and promised it would be an annual get together - she had even talked me into going to the class reunion the next time, too! She was always so positive and supportive. A few weeks ago I noticed she had liked one of my face book posts and I made a mental note to pop in and see her at her cottage when I was up at my cottage for the fourth of July. But more important plans had been in the works for Joann's holiday festivities - she was going to be spending the fourth with long lost loved ones - she was being promoted to heaven, without delay. Fly high, Joann, fly high! Until we meet again...

“ Joann was vibrant, energetic and a wonderful friend. I had the privilege of hiring Joann at MassMutual. I knew from the time I met her that she would be an amazing team mate. Joan was always thoughtful and brought much joy to everyone she knew. I will miss her texts and calls that started with “hey girl...how the heck are ya? Joann, you are truly “On top of the World” and now our angel.

Tony, Kelly, Katy and G you were the light of her life. I’m sorry for your loss and will keep you in my prayers.

“ Terry and I (Karen) knew Joann for her kindness and generosity. Joann was one of the first to welcome us to the neighborhood in 2021. She always had a smile on her face. We will also remember her for her holiday baked goods. I was always happy to receive goodies at Christmas. We will miss Joann. Rest in peace. I am sure you are up there with all the angels that you knew in the past. Terry and Karen Moreno

“ For 19 years, I had the joy and privilege of calling Joann my friend. We met through our husbands, who have known each other since kindergarten, and from the very beginning, Joann welcomed me with warmth and open arms into her circle of friends.

From unforgettable vacations and lively parties to our cherished girls' dinners, Joann brought laughter, kindness, and grace into every moment we shared. The memories we created together will forever hold a special place in my heart.

*You will be deeply missed, Joann.
Rest in peace, my beautiful friend. 💕

“ Anton, Katy, Kelly & Whole Family.....

It's hard to put into words what it means to lose someone who was such a familiar part of my life. Joann wasn't just a classmate—we were neighbors, childhood companions, and grew up right across the road from each other. We shared the same bus rides, the same classrooms, the same seasons of growing up in our little corner of the world.

There's a comfort in those early memories—the laughter, the inside jokes, the simplicity of childhood. Joann had a kindness about her, and a smile that made you feel like you were home.

Life took us in different directions, as it does, but some bonds never really fade. Truly enjoying our 1974 class reunions. Her passing is a deep loss not just to her family, but to everyone who knew her along the way.

I'm grateful for the years we shared—grateful that I got to grow up with someone so genuine and good-hearted just across the road. May she rest in peace, and may her memory always be a light in the hearts of those she loved.

Our sincere condolences Anton, Katy & Kelly & her Whole family.

“ Where to begin. Joann lived across the street from us in Utica. We spent a lot of time together and her friendship always meant a lot to me. She was such an amazing mom, friend and inspiration. Many fond memories of time spent together.
We moved north years ago and somewhat lost touch but never forgot the special person her and the girls were.
Rest in peace Joann 🙏
