“ To Dennis and Family; I am very sorry about your Mom walking on. No words can describe or fulfill the loss of a loved one. I may not have known your Mom but have heard so many good things about her and know she will be dearly missed. If there is anything I can do to help, please ask.

“ Mom, words cannot explain how much you meant to me and the family. You always loved us no matter what our faults were and we could never do no wrong in your eyes. The love you had for us was unconditional and I thank you for that. You are my best friend and most importantly my mom. I love you forever and will see you again. Please give dad a hug and kiss for me and tell him i love him, until we meet again. Love, your daughter Tina
