“ JoAnn was my sister inlaw since I was 9 years old. She was like a 2nd mother to me in my younger years. She was truley a kind, unselfish and fun spirited person. I knew that a visit to her house always meant the best chocolate chip cookies! JoAnn has earned her wings, I will miss her, and her laughter.

“ Aunt JoAnne was a strong, beautiful, & caring person. She took care of us for a little while after our mother passed when we were children & was instrumental in helping us feel a little better during very difficult times. We remain grateful for her kindness & remember her fondly. On top of all this she made the best chocolate chip cookies ever. xoxo

“ Gully was a good friend while I was at Cass Tech. Always a joy to be around. I'm sure she will be missed by many friends & family.

“*'Gully' was one of my best friends in this world. She was funny to a fault... kind, generous and I loved her like a sister. Spent time at her house and we'd laugh the whole time. She was the best cheerleader Cass Tech ever had.. Even far away, I think of her so much.. and will sorely miss her. I hope her family can remember her sweet, funny side and the pain will lessen a lot.. I am sure. My heart is broken at this moment.*
