“ *Oh Gran I can't believe you are gone. I loved seeing you at gatherings. I miss our bond we had teaching each other who was who in the family and friends invited to the get together. I also miss when we would watch our shows together when I was taking care of you at night. You were such a fighter trying to get better after your strokes. Well I know you are up there enjoying your time with Poppi, Natalie, Alyssa and all the other family members. I love you Gran fly with the angels. I now have another angel watching over me. Hugs*
