“ To the Stancavage & Crowley families, a poem for Joni God looked around His garden And He found an empty place. And then He looked down upon the earth, And saw your tired face. He put His arms around you, And lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew you were in pain, He knew that you would never Get well on earth again. He saw the road was getting rough, And the hills were hard to climb, So He closed your weary eyelids, And whispered "Peace be thine." It broke our hearts to lose you. But you didn't go alone, For part of us went with you, The day God called you home. ~author unknown

“ Ziggy, Kelly, Jeff and family - No words can take away the sorrow you must feel. But hopefully, the cherished memories of her will help give you strength in the days ahead. Joni was a true and dear friend and we will miss her very much. May she enjoy the peace and happiness she so deserves - and hopefully plays a lot of golf with her Mom, Dad and friends. In Deepest Sympathy and Love, Ray and Synde
