“ *My kids didn't tell me right away because I lost my Steve about a week or so at the same time. I liked Joanne, she was always kind to me.*

“ *Until we meet again Joanne. I will miss you! We knew each other for a long time. I'll miss your soft spoken words. You were instrumental, after my husband died, keeping me busy back in the SLS library and getting me down to Florida to enjoy many weeks in the sunshine. I know the Lord and many friends and family are welcoming you. Pray for us, as we will for you. With love, Carol*

“ Our condolences to the Wolfenden family. We have fond memories of Joanne, especially with the clan on Secord Lake. She always had a kind word to say about someone. Ed, Jo will be waiting to play another 9 holes with you. God Bless

“ Dear Mr. Wolf, Mike and Laurie, We were sorry to hear the news. We were thinking of stories about her and John remembers her getting him his student teaching job in Utica when she was hall monitor. Caitlin and Michelle remember her as the "Grandma" that would play with the kids on the beach in Traverse City. She was a wonderful person and will be missed. Even though she went through a long illness I don't think you can ever be prepared to say the final "goodbye". The memories you have of her will live forever and she will always have a special place in your heart. Our thoughts and prayers are with you.
