“ I can remember Joe when my brother and I were children and my father and mother used to go and visit my Uncle Joe and Aunt Stella. After my Uncle Joe passed away which was my father's older brother we went to go visit and Stella. Joe was just a young teenager. I could still remember the house that he lived in, and even though it has been many years I still remember Joe's Brothers Anthony and Billy. Before my brother Vito passed away he had told me that he had found Joe on Facebook and was reaching out to him I know it's been a long time since we've lived in California since 1965. God bless you Joseph I will always remember your happy smile.
