“ My uncle Joe had the best laugh. He was always messing with Mimi and I. I remember he was babysitting us one time when we were little and he told us to go wait for the ice cream truck and we waited for hours for a truck that never came. So many good memories skiing, cedar point and just hanging out being silly. He will be missed. Love you Uncle Joe.

“ My best memories were with my uncle Joe. From holidays and traveling when I was young to laughing for hours as he threw me in the pool. Blessed for our time together. He spoiled me and couldn't resist me pressing him for a couple bucks ever time I saw him for candy. Growing up he wasn't just my uncle, but my all my best friends inherited uncle too. We were so blessed to have such an awesome uncle to go on adventures with! I have comfort that every time I think of him I see his joyful, smiling face. He will be missed greatly.

Joe came over to my house every day, for coffee, before work. He loved his nieces and enjoyed watching them grow up. He was very close to my husband Bill, his brother-in-law, and enjoyed spending time, golfing, fishing and hunting together. I will treasure the time, memories and love I shared with my brother Joe.
