“ *I don't know where to begin or what to say. On one hand I'm mad because you left me and we still needed to work out some issues, and on the other hand I'm thankful for what you gave me, a life and sisters. I have a great wife and awesome children to help me with your passing. I will never forget the day you caught me under the back porch at the age of 6 and I was trying to smoke a cigar. I will always remember the BBQ's fishing, playing horseshoes in your back yard and the trips to Armada for the Apple and Peach fairs. You will always be in my heart Dad, when we meet again in heaven maybe then we can clear the air. Love your only son, Joe Jr*
