“ I will miss your dad....but I've got lots of great memories ...and as I've said before...He and your mom were the greatest when it came to making me feel welcome and comfortable in their home when we were crazy obnoxious kids, and on into our adult years...Thanks again Mr. Von....George

“ I had the pleasure of working with Jack at Laurencelle Woodwardside Real Estate for a few years. Jack, John Prentice and Bob Dondero and I were always a four-some in the car on our house tours.. We had some wonderful trips up to Jack's and Bob's cottages. These guys had 20 years on me but I loved their company. They'd been to where I was going. Jack was such a great guy. Will miss him greatly. I think about Jack often - whenever I'm in downtown Royal Oak, I always wonder if Jack is still around. You want people to be there forever, but unfortunately that is not how it works...but they are always there in our hearts. I'd like to have one more trip in the car with these guys - sort of like Mitch Album's book, "One More Day."
