“ Dear Sandy, Bruce and I were shocked and saddened to hear about John's passing. I know we didn't know each other that well but saw each other at Joni & Ron's various parties. And any friend of the Tremblays is a friend of ours. We are so very sorry for your loss and will keep you and your family in our prayers. God Bless. Bruce & Lisa Hatch

“ I worked with John through Textron and C & A. We always traded pictures of our pets. Sometimes he would call out of the blue he said just to say hello and start singing a tune about Tennessee. He was a good friend and will be missed! Karen

“ I first met John about 18-19 yrs. ago. I don't remember the exact event but my first impression was that he was a bit abrasive. After several more encounters I kinda started to understand his quirky humor and found I could get to like this guy. With more exposure I found we had very similar interests. Cars, motorcycles, drinking a few "pops" and a love of the game of euchre in which he and I dominated Sandy & Joni. One thing that really endeared him to me was the way he took care of Sandy in a lot of little ways. He set a high standard that I can say I haven't been able to match. By his words and actions it was obvious to me how important his family was to him. I really expected I would be roasting him at his retirement something that would have been a lot easier rather than eulogizing him after his passing. He can rest assured that his friends and family will continue to care for Sandy. My BROTHER from another mother you will be deeply missed.

“ We have only known John and Sandy for a short time, but it didn't take long to know how nice and genuine a couple they are. I can remember that some of our first encounters with John were "I can't believe he is out there in the rain mowing his grass", but his lawn was and still is the best looking in the neighborhood and when John and Sandy came over to watch us light some fireworks for about 3 minutes before the police showed up. It was just the other day that I was waving to him in the morning as we pulled out of the driveway. It's hard to believe that we won't be able to wave to our neighbor anymore, but his memory and smile will always be remembered. Our sympathy and prayers will be with the entire family.

“ Deepest sympathy. I knew John for over 25 years both as a friend and as a customer. He was unique, fair, tough and most of all a good guy. He will be missed by all his friends and family. I will also miss his e-mail network.

“ Our thoughts and prayers are with the Lesperance Family at this time of deep sorrow. We met John and Sandra when our daughter's Michelle & Heather attended elementary school together with Jeff & Paul at Magahay in Sterling Heights. John always impressed us over the years as the great dad and family man that he was. He was truly a great example of what it took to make a wonderful husband to Sandra and involved father to the boy's. It was always "Family First" with John back then. God took him from you way too soon and only God knows why. John has left the world as we know it but will be with you in spirit every day of your lives. The sun that shines upon you today is John giving all of you a warm loving hug & kiss. The birds chirping and flower's blooming are John again saying "Hello Beautiful!" Always keep an open eye to all of nature and see the messages for yourself...they are there. We believe that tears can heal, that memories can comfort, that love lives on forever. With our deepest sympathy, John & Irene Hanson, Michelle Fetz and Heather Chomiak.

“ My heart goes out to all of the family members of John Lesperance. I met John through work at Collins & Aikman. He was always friendly and personable. The last time I seen him was on April 18th when I interviewed with Cadence. True his friendly, outgoing nature, John stopped by to say hello. I was shocked when I heard the news about his untimly death. He will truly be missed. Since I heard the news I have been holding his entire family up in prayer. May God comfort and keep you at this very trying time of your lives.

“ I worked with John as a supplier to Textron / C&A for a period of 10 -years. John was a man of conviction, with a quick wit and a professional attitude. With great respect I condisered him to be a throwback one of the good guys working hard to survive in this crazy automotive business we work in today. We shared many a meal together at one of his favourite restaurants, Andiamo where they pampered him like the gentleman he was. John took great pleasure in teasing me about my Canadian roots eh ! and labelled my company as Stodgy due to our conservative approach. John mentored our organization to insure we always understood what was required to get the job done. I wil always remember the positive influence he had on me personally, professionally and most importantly as a mentor and friend. My deepest sympathies to his wife Sandra and family. John will be sadly missed by his Canadian Automotive family. God Bless - Mark Dremak - Foremerly of Dofasco Automotive Components in Woodstock. Ont.
