“ Dear Gerard, Peter and Jack,

I don't know if have ever met all of you, but we are first cousins. My father was Harold, your father's oldest brother. My Uncle Jack was your father, and my godfather. When I was young and lived in the Detroit area, I would see your Dad from time to time. I always enjoyed my interactions with him and your Mom. But when we moved to the other side of the State, I lost contact with most of my aunts, uncles and, of course, my cousins. It was only when I retired that I began to visit some of my Detroit area relatives, particularly Aunt Margaret (my Godmother) and her daughter Mary. I also attended what was one of the last Beauregard reunions at Uncle George's house, and met or re-met many of my cousins, and all the living aunts and uncles. I was very happy to get a chance to talk to your Dad for awhile, before the reunion broke up. I could see how Parkinson's was affecting him, and it reminded me of some of my Dad's last years battling with the disease. I know your Dad rests in peace now, and I hope he has found what he wished for in his afterlife.

You have my best wishes for dealing with your loss, and I hope you all have a wonderful future. Maybe we will meet some time in the future.

One of your many cousins,

Richard (Dick) Beauregard

“ Dear Gerrard, Peter and Jack Beauregard, I was so sad upon hearing the news of your fathers passing. While you will no longer have your father here, it truly is a time to celebrate that he has made his way to heaven to be with your mother Sue, our Heavenly Mother and our blessed Lord. I know how much you will miss your father, but have peace in your heart because he is no longer struggling in his failing earth. Our family loved your dad and we have so many great memories of him. My mom, your aunt Thelma, had a special relationship with her younger brother "Jack" and they both shared quite a few happy moments when they were still able to get around. Gerrard, Peter and Jack, my memories of your father was that he talked about all of you and your families with so much love, especially his grandchildren. When he spoke of them his eyes became so bright and full of joy. My family only wished we could have lived closer to have gotten to know all of you and the entire Beauregard family a little better. My mom is aware of your dads passing and is sad she isn't able to get around or travel to Michigan at this point. She knows he is in a better place. Mostly, I just want you to know we are praying for you and thinking of you, "Uncle Jack", and your families this week.

Love,

your cousin

“ To Jack's Family: Jack and I worked closely together on Ford's Turbine Program. He was my mentor on casting procedures. After the program was cancelled we continued to have lunch together weekly for several years. I will keep Jack and your Mom in my prayers. God be with you in this difficult time.
