“ *Mr. B., Mrs. B, Joann, Diana, and the whole Brady Clan, I was saddened to hear of John's passing. There is not a lot one can say to lessen your sorrow at this time. The only thing I can say is to let you know that you are very much in my thoughts and prayers. Thinking of John and some of those times we all had brings a smile to my face. Good memories live forever. The Ojibwe have a word they say when they part company: 'Baamaapii' It does not mean goodbye...a literal interpretation would be 'until our paths cross again' Baamaapii John*

“ Our hearts are aching over the loss of johnny and cannot begin to imagine the enormity of grief visited upon your family. His lightning-swift illness and untimely death is something we don't get over but only get through it. Easter is near and we are "Easter people" who believe we have not seen the last of johnny or any of our loved ones who have gone before us. With much love from Harry & Donna

“ Although I cannot be there, my thoughts are with you all during these difficult days ahead. I wish there were words to help comfort you but know that they don't exist. This isn't the way a "Very Brady Weekend" is supposed to be. Instead, try to think of Johnnie at a wonderful Brady weekend in Vermont for Diana's 50th. We all had so much fun thanks to Johnnie, our garage DJ. He was very happy then. You are all such a close family and will provide love and support to each other. I am thinking of you constantly, especially Adrienne and Matt. Wishing you all love in your hearts and peace in your memories. Hugs.
