

## John Henry Brimmell

July 22, 1959 - January 12, 2024

John Henry Brimmell, a resident of Clarkston, passed away on Friday, January 12, 2024, at the age of 64. Son of John and Arlean Brimmell, he was born on July 22, 1959 in Royal Oak, Michigan. John studied at Motech Technical College and began his career as a mechanic. He worked as a transmission specialist for multiple Ford dealerships in the metropolitan area before assisting other mechanics as a consultant on the Ford Hotline. John's most recent position with Ford was in overseeing test vehicles, pre and post vehicle sign-offs, quality checks and inventory management.

When John was away from work, he would spend lazy days on his pontoon boat or tinker with his jet-skis. John loved to spend time loving his puppy, Sophie, wrestling and playing games with her and going camping with her and Shelley. An accomplished marksman, John could fire any gun at the range or in the field. John had an appreciation for Harley motorcycles and Jack Daniels whiskey, and a sense of humor that could not be matched. He will be missed dearly by friends and family.

Beloved life partner of Shelley Powers. Loving father of Justin John (Jessica), Brandon Lee (Irina), and Alicia Marie (Spenser) Brimmell. Cherished grandfather of Brenden, Aliya, Noah, and Jaxtyn Brimmell; Aaliyah, Jocalynn, and Gabryella Justice; Jack, Henry, and Kira Brimmell; and grandcats Isidore and Theodore. Dear brother of Sandy (the late Robert) Rissman. Loving dad

of his fur baby Sophie.

“ I was so lucky to cross paths with John, we shared starting at the Ford Tech Hotline Auto Trans group on our first day together. I still remember our group driving over to the P&A building to get our employee badges. John was so steady lending a hand at helping anyone who needed advice, or a buddy to ride motorcross with, or a warm and dry place to tear apart a transmission.

John had so many great stories to share about his dozens of years working at the Dealership, and all the characters he met a long the way.

In those days, when you spend 8-12 hours a day shoulder to shoulder with a bunch of gearheads and you can hear everyone else's conversations constantly, you really become like a close family.

I remember John being so proud of his 3 kids. He bragged about them every chance he got. We only heard him maybe tell just one “knucklehead” story. All the other stories were of his proud moments as a father.

Later on as our careers changed direction, on the rare occasions I made it back to Ford HQ, I always jumped at any chance I got to go to Livonia ATNPC. You never had to guess where John was, always hard at work, but willing to take a few moments to remember a friend and share a few moments during break time.

Wishing for peace and love to John's family in these difficult times.

“ I'm so glad that I had the chance to meet John back in Nov '23, even tho it was a very short time I learned a lot from him, having the opportunity to work side by side with him was an honor.

He was a very good person, supportive, patient and willing to share his knowledge, he was always there whenever I needed his help.

He will be missed.

May he rest in peace.

“ *So grateful to have had John as a friend all these years. He was hard working, hard playing, intelligent, generous, and just genuinely fun to be around. So many great memories out on the water boating, tubing, riding jet ski's, camping, shooting, and just chewing the fat about this crazy world. I'll meet up with you some day for a cold one buddy.*
