“ *What can I say to express how much I loved you? You were my very best friend, and I will miss you every day of my life. I would do anything just to feel your arms around me once again. It nearly killed me to watch you pass, but I know you had to go home. You will forever be a part of me, and I eagerly await the day we will be reunited. Until then, watch over us all and know that you meant the world to me, my love.*
