“ *Did Mr. Dennison ever live on Irving in Royal Oak? I grew up in R.O. and went to Franklin Elementary with John Dennison, presumably his son, who lived on Irving. If so, I am deeply saddened to learn that he also has passed. Would you send me an e-mail and let me know if the late John Dennison is the same person that I grew up with. He would have been born around 1945. Recently, a bunch of us got together from school and as we were looking at old photos, we were all wondering whatever happened to John? I would appreciate hearing for you. My thoughts are with you. Cheryl*

“ Dear Walter, I send my sympathy on your Father's death. I am also so sorry to read that your Mother and one of your brothers have passed away. Your Mother, whom I knew most in your family besides yourself, was a kind and generous person and I have fond memories of her. Please, know I will keep you and your family in prayer as you go through this difficult time. Maureen
