“ Connie, thank you for the card notifying us that John had passed. Our family has known John for more than 40 years in varying capacities. Beginning with John being my supervisor at Powertran, then as a part owner with John at Marsden Electric Company, and lastly when John worked for many years as one of my Managers at Nationwide Income Tax Service. Although we lost personal contact over the years after we moved to northern Michigan, we continued to exchange Christmas cards and occasional notes and newsletters. Even though we lost that personal contact, we never lost the feeling that John, in every capacity, was a true and loyal friend.

Jan and I and my son Scott, who worked with John at Nationwide, will be making a memorial donation to the Veterans Association on John's behalf.
