“ Hi Papa John, I have been thinking about you lately, I can't believe it's been a year. Shannon and I talked about you the other day and I look at your pictures often. I miss you a lot and we love you and we talk about you all the time. I love you and we know you're up there with your legs crossed eating ice cream :

“ Oh God, Millie, my heart is breaking. I know yours has to be crushed. He did love you so much. I know I didn't keep in touch like some but I thought of you both often! Last time Uncle John came to the house I told him he looked so much like Daddy Billy that I just wanted to squeeze him to pieces! He just held out his arms and said ok. We hugged and I felt comforted as if Daddy were there. May you find comfort in knowing that his is in Heaven with the Lord! Love,
