“ Dear Ones, Thinking of all of you. I am so glad I knew John. He was so generous and kind. I know how proud Helen was of all her kids and I know how helpful John was to her. And, of course. his generous gift to Mark was incredible. I know Ed and Peg are on their way back for the memorial. I will hold you all in my thoughts and prayers this weekend. I am especially thinking of you, Gwen. Every Blessing, Jo and Dick Tait

“ I'll always remember how John counted me as one of the guys though I was just a young kid. He always had a fun adventure. Back in 2nd grade, I was easily bribed with candy-bar money to visit the nearest cigarette machine to keep him stocked in his trademark Lucky Strikes, unfiltered of course. During another visit, while in 4th grade, he let me drive his old purple T-bird while sitting on his lap -- a very big deal for a little guy. Shortly afterward, though I wasn't behind the wheel at the time, the brakes gave out on a gentle hill and we bumped into the car in front of us...a minor accident that was unfortunately witnessed by a local patrol car. He made sure I was out of earshot during the ensuing discussion but I knew it was colorful! He left CA soon after, forgetting his tool belt -- a bit of a keepsake I made use of for many years afterward. John impressed me in the way he watched over his mom and his kind heart, so protective of those he cared for. With Gwen, he brought a wonderful woman into our family. I'll always appreciate his and Gwen's visit to my wedding -- a long trip for a short visit. I'm grateful for the many colorful memories but will miss him very much. My heart goes out to Gwen, Bill, my mom and the rest of our family and friends. Farewell John! Love to all, Ted

“ I will never forget JohnÆs handshake. It conveyed his character and invited conversation. He usually followed it with a John style personal greeting whispered in your ear. A humor that seems to define our family.

“ I will miss most the stories told by Uncle John. John always had a good story to tell whether it be of a customer he was doing a job for or the guys working with him on the job. My most memorable story was about a snow blower Uncle John gave me a "steal of a deal" on. This was several years ago however, he would always let me know what a deal I got. And he was right I did, when it came to power equipment John had the best! Uncle John will be missed and in our hearts foerver.

“ Gwen, our thoughts and prayers are with you. John had such a big heart! So glad we got to share Easter with him this year. He will be missed by us all. I am sure Matt and I will always have our nicknames that he gave us Sissy and Butchy forever. May he and Mark have a rolling time in heaven! Love you, Kelley and Family

“ My dear brother, John, How I will miss you! You loved all of us so much - and you gave us so many crazy memories and stories. Your greatest most generous gift was to Mark when you donated your kidney. This was a gift to all of us - such an unselfish act; but that was YOU. Rest in peace and go easy in the heavens. Love, Peg
