“ There are so many things that can be said of Johnny Hopkins, a good and loving husband, a father who took an active part in his childrens lives and tried to show them how much they were loved, a man who would give you the shirt off his back. Johnny had a great sense of humor, he never failed to show you how much you were loved and welcomed. Johnny, Genevia and my Parents Hardy and Marjorie Holcomb who are now gone shared so much during their young lives, Johnny and my Dad went to Michigan together leaving the two woman to take care of the kids and wait for them. I will truly miss his big arms of comfort. My prayers and thoughts are with you.
