“ I, too, was lucky enough to have worked with John at The News. I will always remember his warm smile, generous spirit and the loving way he spoke of his family. The world has lost a very special person.

“ I worked with John for many years at The Detroit News in Marketing Services. He is one of the nicest people I've met in my entire life. In fact, we often referred to him as "St. John" because he was so even tempered and never said a bad word about anyone. I feel very fortunate to have known him. He will be missed greatly. The world is a lesser place for his absence.
