“ Dear LaDuke Family, My deepest sympathy on the heartbreaking loss of John. I had the pleasure of working with John at Ford Motor Company back in 1999-2003. He was my boss and a wonderful boss he was. He was extremely knowledgeable and had a great sense of humor. He loved and always spoke highly of his wife and kids. What a tremendous loss. You and your family are in my thoughts and prayers. God Bless you during this most difficult time.

“ I am so sorry for your loss, you are all in my thoughts and prayers. I did not know John personally as I am only a co worker of his sister Laura; although, in a small way I felt as if I did. Laura always talked so highly of her brother in PA and his family! ~May, in time, your sunrises bring you hope; and your sunsets peace.

“ Dear LaDuke family, John was my boss for 4-years at Kennametal. I had many bosses and he was one of the few who took time to get to know all of his employees. He brightened up the office with his humor...that's what I remember most of all. He was truly a good person. My prayers go out to you all.

“ Dear LaDuke Family, Our heartfelt sympathies to all of you in this incredibly sad and difficult time. John was a joy to work with at Kennametal, and he will always be missed. Kennametal is a better place because of John, and we very much thank you for allowing us to get to know him. He brought light and joy to all who came to know him, as his smile and his outlook always brightened everyone else's. Yesterday's service was beautiful, and the outpouring of love for John was evident from all who were there. Our thoughts and prayers are with you. Phil, Marianne, Samantha, and Ali

“ To the LaDuke Family: Though we do not know you we still wanted to express our deepest sympathy to you. My son saw the article in the Trib sports section noting Mr LaDuke's sudden death and recognized your sons names from hockey. My son plays hockey for Greensburg and will be a senior this year. We were deeply saddened to learn of Mr LaDuke's untimely death. From reading all of the condolences he was obviously a wonderful wonderful man who was loved by all. How blessed you all are to have had him as your son, husband, father. Please know there are and will continue to be many prayers for him and all the family. May God grant each of you strength to continue on and heal one day at a time. God Bless you and watch over you. With deepest sympathy and many prayers, Rege, Becky and Rege Garris

“ To the LaDuke family, It is so hard to express in words the loss that is felt when something this tragic occurs. I had the luxury of being a colleague and a friend of John's. His professionalism was only exceed by his friendship. John was always just as interested in how your personal life was as well as work. Those qualities combined with his incredible sense of humor makes him an individual that will be missed in ways that words cannot express. My friend, You will be missed, and to your family my sincere condolences

“ *Deepest Sympathy to the LaDuke family, I will always remember growing up with John and playing baseball in Livonia's Little League, skating on the family's homemade ice rink, playing street hockey, and attending Buchanan Elementary, Bryant Jr. High, and Bentley High School together. We would sometimes laugh uncontrollably, mostly me, at things that were not suppose to be funny while attending Religious Education class at St. Aidan in Livonia. He could just say things that would make you laugh! It was a pleasure growing up with him. Rest in Peace John.*

“ I must begin by sending my deepest sympathy and condolences to the entire LaDuke family. I am one of many people that had the honor to meet John professionally, and I mean that sincerely. While I didn't work directly for, or with John while at Ford, he had an air about him, a confidence, and a sense of humility that were unparalleled. When you coupled all of that with his amazing sense of humor, it made for some pretty phenomenal all hands meetings. We were all sad at Ford when John announced he was leaving the company, and now those of us that new him from Ford are even more said that he has left this world. John touched people that he probably didn't realize he did...I am one of them. He was a great man, and I am very sorry for your loss. RIP, Mr. LaDuke! Heaven just got a whole lot funnier with you there!

“ *Dear Bridget, Ryan, Zach, Allison and Abby, We would like to express our deepest sympathy to each of you. I received the following passage from my mothers funeral that I thought was one of the best things that I have ever read..."A Note from Heaven" If I could write from Heaven, this is what I'd say, Please don't miss me too much, I'm with you throughout your day. You may not see or hear me, but if you're quiet and still, You may just feel my presence; because, in Heaven, there is free will. Don't worry for the day, it will come and go as planned, Enjoy each moment you are given, keep worry from your hand. Keep sorrow to a minimum; For if Heaven you could see, You'd know I'm safe and happy, I did not cease to be. Moments in time are brief, until we'll be together again, as Eternity lasts forever, our lives, they have no end. Author unknown. All our love and prayers, Sean, Lori, Trent Olivia and Trey Bolish*

“ To Bridget and Children, We've lost a respected colleague and true friend with John's sudden passing. He was a wonderful guy who always had a smile on his face - - a reflection of the love in his heart for life, for his family, and for his friends. Please know that you are in my thoughts and prayers at this most sorrowful time. I will always remember John's great smile. May you take some small comfort knowing that he meant so much to so many.
