

John Malkowski

February 28, 1948 - April 9, 2025

John Malkowski Jr., age 77, of Royal Oak, passed away on April 9, 2025. He was born in Detroit on February 28, 1948 to John Malkowski Sr. and Janina Malkowski.

John grew up in Detroit and attended St. Rita schools from first grade through high school, graduating from St. Rita's High School. After school, he went on to work for Chrysler at the Warren Truck Plant (WTAP), where he stayed for 37 years before retiring.

In retirement, John kept busy flipping a couple homes and taking on renovation projects-something he truly enjoyed. He remodeled all his children's homes and was always the first to lend a hand with any project, never afraid to jump in and start pulling things apart.

John was a big Yankees fan and loved watching old Westerns---especially those with John Wayne and James Arness---and classic movies in general. He was proud of his Polish roots and stayed connected to his heritage, especially through cooking. Whether it was Polish or Italian food, or something else, John loved being in the kitchen and sharing a good meal. He was also a strong supporter of Polish churches in Detroit.

John is survived by his wife, Susan; his children: John Malkowski III, Donald

(Melissa) Malkowski, Veronica (Steven) Lyles, and Daniel (Cher) Malkowski; his grandchildren: Emma, Gracie, Madeleine, Avery, and Cole; his siblings: Ken Malkowski, Darlene (Tom) Glaze, Kate (the late Mark) Turczyn, Donna Malkowski, and the late Carol Jones and James Malkowski. He is further survived by many nieces, nephews, and cousins.

“Dearest Sue, John, Vikki, Donald, Daniel & Family,
It is with the heaviest of hearts that we extend our deepest condolences in the loss of John. Words can't express the heartbreak we feel for your family. John was such an important part of our lives since we were children attending Guardian Angels School.

John was so loved, cherished and appreciated at Guardian Angels where he would fill in for teachers in the classroom and supervise on the playground. He was highly respected because of his demeanor and logical approach with children. He always kept an eye on us to ensure we were safe and happy both in/out of school. We have been Blessed to know him to be such a great father figure and friend into adulthood. John had an incredible sense of humor as everyone knows. He could befriend anyone with his witty character and infectious laugh! I am so thankful to have known him all of my life, he was always so kind and supportive of me growing up and through life's difficult times.

John was such a pleasure and fun to work with during his investment property searches and flips. I spent more time laughing than I did working. He spent time with me at my office hanging out with my clients and friends, which I looked forward to more than I did working. John lit up the room and made my day every day he came into my office for coffee and real estate updates! Everything he spoke about would hold your attention, his career at Chrysler, the stories, his interactions with his amazing wife Sue that would make me laugh for days, the experiences in life that he shared, his children who each carry some of his best traits that you can see in their eyes and sense of humor! He was always the light in the room!

If there is anything we know about John, it's that his personality was unsurpassed! A true one of a kind! There were two topics on his mind every time we spoke; his wife & children and real estate! John was always busy thinking about something, but when it came to his family... that was the one thing he thought and spoke about the most! John was devoted in his faith, and beneath his insurmountable strength and convictions, was a man with a genuine

heart and soul!

In life we often concern ourselves with the way someone delivers a message, but with John and the support he gave me, the message, no matter how it was delivered, was always rooted in common sense and love. There are some people in this world that touch your heart and mind in such a way that they quickly become unforgettable and forever a cherished part in the memory of your heart; that is who John is too so many.

It is impossible to depict the incredible loss this is for John's family and all of those who's lives have been touched by John, but make no mistake, he is a permanent fixture in our hearts. His legacy is imperviable.

May God Bless all of you and be with you as you navigate these difficult moments ahead. John taught us all strength, he would want us to remember when to be strong, and when to laugh. We will keep his strength and humor at the forefront each day as we miss him dearly. Know that you are all in our hearts and prayers. May God rest John's soul in eternal peace, he will forever be missed and never forgotten.

*With Sincerest Sympathy and Love,
Teresa & Tony Morabito.*
