“ I love my brother! He was a wonderful loving family man and and honest and ethical person. He always tried to do what was right. I also loved his sense of humor and how he could laugh at all of life's adversities - even at his own health problems. He is an inspiration to me. I will miss our phone chats and our laughing at life and what it dishes out to us. I wish wish wish I could have been there with you all. I wish I would have visited this summer when I could have hugged him and told him I loved him right to his face. But I am sending out my love to him now, because I know he's not dead. He's just resting over there on the other side.

“ *Dear Mueller Family, Scott and I were so sad to hear about Mr. Mueller. No one is ever ready to lose a parent. When I remember Mr. Mueller, I imagine him smiling and laughing. He was a fun, happy guy. Always welcoming us to swim in the pool, no matter how loud or rowdy we got. I hope your good memories bring you comfort and help you through this tough time.
