“ Uncle john was my favorite uncle, I remember when i was young we went hungry a lot and it seemed that he was always bringing bags of food over to feed us. He was a very generous, kind loving man. In my wild 20's i would run into uncle john at some of his favorite watering holes and he would call me over and say hey let me get you a burger and a beer. I would accept and we sat and talked for hours. I remember much laughter with him and his sense of humor was great. I have always cherished those times and remember them with much fondness. The Nye kids and us rodockers spent a lot of time together while the parents played cards, very nice memories. :- Well, the only good things about his passing is that i know one day we will all meet again in heaven. He is now with aunt Ada, kieth, my dad and many others. and he will have no more pain or suffering. It brings great comfort knowing that uncle John was a believer and accepted the gift of eternal life via the cross..the death and resurrection of Christ and the blood that was shed so that we could be with him one day.. he is now where we are headed and i know that he is smiling and awaiting us all. You will be missed loving uncle, until we meet again...love mare rodocker pobud cloyd Lord, please watch over my family, let them find rest in your comfort. please do not let this family separate like so many do after this happens. Bring peace and happiness into their lives and remind them that uncle john and aunt ada and kieth are waiting for us when you call us home. In Jesus name i pray, Amen
