“ Rudy and I send our deepest sympathy to all of you. We are all a bit poorer for the loss of "Johnnie". But, I am grateful that Rhoddy is now looking out for him, again. At Jeff & Leslie's wedding he told me that in his old age he regretted not having had a bigger family. That made an impression on me ... and it also conveyed to me how much he did love the family that he had. You have all made a remarkable effort to keep him included in your lives and to look out for him until the end. You did the right thing and you can cherish that all your lives. Love, Doreen & Rudy

“ My condolences , you don't know me. But this message is for Gary J. Go to www.unclaimed.org, you have money in the unclaimed dept. of the mi. state treasury. I never found my dads, until i came across this web site. my dad never knew about his money the state had. He died in 2001, i found it in 2004. Just click on links leading to michigan money quest. And put in your last name. You are there. It's your money not the states, so get it.
