“ Dear jenn and Shaun, Jacob and Jullianna
You are all in our prayers. These past months have been the hardest . God seen he was getting tired, but he loved you so much he just wanted to stay as long as he could. He wanted so badly to see the grandkids grow up. Even the kids in Florida he loved them and cherished the memories with a smile on his face. He enjoyed the simple things in life. Throwing the stick to Duke in the yard. Watching the flowers that he planted grow. Always wondering if the tree that was transplanted would survive another Michigan winter. I laugh when i think of the Cash Crop (HIS TOMATO PLANTS). that he liked to start from seed. John I will plant them in your honor. Lol. Other dear family members, please know you are loved and memories are charished and always will be. May the Lord bless and keep you , may he make his face to shine upon you and be gracious to you and give you his peace.
