“ *John and Diane, So sorry to hear of your fathers passing. I just seen the notice in the Macomb Daily. We will miss him and his visits to our house. I will always remember the time I spent with him making the Oak Door and him and I installing it. He will be missed in the neighborhood doing his daily walks or bike ride rain or shine.*

“ *I was a dance student of John Thawley's in the early 70's at the Derenosky Dance Studio. John & I danced in the Pro Am division at the Detroit International Ball and placed in the top 6 in all the standard dances. My trophies and pictures will always be a part of my memories. I went on to teach ballroom dance at The Dance Scene in Centerline for 6 years. My prayers to all the family members during this sad time! Grace*
