“ I was saddened to hear the news of the passing of John Reyst. I worked with John at Hewlett Packard for several years where he delivered quality services to our HP customers and clients. John always had a good sense of humor and willingness to share a story or two when we had time to chat. He will surely be missed by his family and friends. My sympathies go to the family. Paul M. “ Our families lived directly across the street from each other for about 25 years. John and I shared hundreds of conversations about every subject you can think of, generally in his yard or mine. He was the nicest person I've ever known and it was an honor to spend precious moments exchanging conversations. Super loyal to both his family and his job, he will always be a "Man's-Man". Our families "grew-up" together, not nearly enough space on this post to share so much we experienced together. Words will never do justice for this wonderful person, nor "heal" what his family feels. But for whatever it's "worth", all of you are a part of me "forever". Love to all of you, Steve

To loss a parent or a mate is one of the biggest challenges to undertake. I have always found comfort in the scripture found at Isa. 41:10

We are praying for Dayle, Matt, Chris, Scott and families at this sad time. We take for granted that loved ones will be with us forever and in an instant, they are gone. We will cherish the memories we have of our brother-in-law Jack.
