“ I , have many memories of my dad of course. One of them is when he would take me to my doctors appointment. I, would have to miss a day of school. Afterwards he would take to the movies. We would go to Lakeside Mall Cinema and see what was ever playing at that time. The two movies I remember most seeing with my dad, was Beverly Hills Cop and Beverly Hills Cop 2. As a little kid I really didn't understand all the funny stuff in Beverly Hills Cop but I laughed when I my Dad laughed and of course anytime when Eddie Murphy would laugh. My Dad had a dry sense of humor, that I am glad that I have that same dry sense of humor. I, miss you Dad. Love, You.
