“ My fondest memory of my Uncle Tim was when i was 7 or 8 years ago and i was fighting with Nanny & mom and he came over to visit. I had just got the switch from that tree in the back yard, not feeling so nice and very hateful. He picked me up and told me in my ear "I will always be here for you" and those nice kind words, at that time, had stuck with me for a life time. So just remember we are all here to love and comfort others, the smallest things do matter. He was there for me that day. I love you, Uncle Tim. Do tell Nanny and Mom i love them too!
