“ John worked for me for several years first at Kmart 3126 then I promoted him to the highest volume store in my Region K mart #4177 Saint Clair Shores. He was not only a Fine Store Manager but an even Better Man. He always had patience with his associates and did a good job training young assistant managers. He was one of my favorites. RIP my friend

“ I'll never forget the full army get-up he gave me for Christmas in the mid 60's came with helmet, belt with pistol and holster, rubber knife with sheath, and a big machine gun complete with sound effects! I'll also never forget rabbit hunting sit'n on the glider on uncle Robbins farm. Love you uncle John!

Aunt Karen and Uncle John traveled all over the US and Canada. with their airstream. It was the late 90's and I was living in Los Angeles, and Uncle John and Aunt Karen drove in for a visit. We hung out in Santa Monica and had great time. He always had a hug and a smile. It was such a gift to me to see them while I was so far away from home. He was such a dear man and I will always be thankful to have called him,my Uncle.

Memories of camping, laughing at stories around the campfire, real interest in all of my pictures from Alaska, stopping in to see my babies even though Aunt Karena and Uncle John lived so far away, Thomas and Jenna washing the side of the airstream over and over and over, perfect bear hugs, and that look he gave you that made you know that you were so loved. Love you, Uncle John!
