“ As kids, Jeff and I always looked forward to our Michigan family's visits. We, of course, loved hanging out with John, Marian, and Dan, but also enjoyed the antics of Uncle John. For years, he called me Darnelle, and I thought he didn't really know my name. But I came to believe that he was doing it on purpose to get a reaction out of me. He eventually started calling me what sounded like Dwon. He was a funny guy with an ever-present sparkle in his eyes. Rest in peace, Uncle Jwon! You've earned it!  
Love, Dawn

“ Jack what is the best tailgate companion you could ever have. We spent many hours in the cold parking lot at the Big House. I have missed him and will continue to miss him. He was always very considerate, and always stayed in the background, allowing his son, John and Teresa to be the front people for the tailgate. But John was there always for us. He even had the decency to leave us on an “away game” weekend. God Bless him!

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of John. It is truly humbling to receive memorial donations in honor of his life. Please be assured of the brother's prayers for the entire Wangler family during this great time of grief. May perpetual life shine upon John.

“ *What a truly great person Uncle Jack was. Always upbeat and positive. He helped me through some dark times and life challenges. He just knew somehow when to show up or reach out. He was my inspiration for going to college and continuing on with graduate school. He always gave me encouragement. He was a lot of fun to be with and I'll always cherish the good times we had together, the jokes, and the stories.*

*John and Lorraine I am so proud of you and thankful for the way you have taken such good care of him these past few years. When we all get to heaven we'll have a tailgate like none other!*

“ *Heading to Michigan for a football game was always a blast, especially knowing I was going to sneak a little wine with Jack at the tailgate. I couldn't wait to see him, hear his jokes, and get the best hug ever. He treated my husband and I like part of the family (as did Teresa). Rest in peace, you're back with your bride.*

“ *Barb and I have the FONDEST memories of Uncle John carrying around his coffee and teasing us whenever he had a chance. I can remember years ago when we would all get together on the holidays,(especially Thanksgiving) and have a great time, ESPECIALLY Thanksgiving when we would have our whipped Cream battles in Aunt Bettys's basement. Uncle John would ALWAYS win playing poker with my other Uncles,(no matter how they tried to cheat).I also remember the time when he and Aunt Theresa (when I lived in Columbus), came down for an OSU/Michigan game. "Father and Mother of Quarterback #5. I did tease them a lot, but Michigan did beat OSU that day!!!! We love and will miss you TERRIBLY Uncle John. You were the ONLY TRUE Uncle I had left!!!! You and Aunt Theresa raised a WONDERFUL family and we cherish all the moments we have spent together!!!! Rick, Barb, and Chris Sed*
