“ I have been friends with Jon since high school and have many fond memories of him that I will cherish forever. He was such a personable guy who was always the life of the party. He was a strong and kind-hearted man, so it didn't surprise me when he chose to pursue a career as a firefighter. I will never forget his ice blue eyes and his contagious laugh. Cheers to all of his accomplishments and a life well lived. Jon, you have touched so many lives and will be missed by a tremendous amount of people. My heart goes out to your family during this difficult time.

“ I went to high school with Jon and have remained friends with him since. I consider him to be one of the most genuine people I have ever met. He never had anything negative to say about anyone. He had a heart of gold and strived to help people. We enjoyed all the times we spent with him; trips up north, canoeing, and just hanging out. I am truly saddened by this huge loss. Jon, thank you for being the person you are! We will miss you forever!

“ Jon was a great man and I'll miss him very much. My cousins and Nicole loved him dearly and it was an honor to have met Jon through them. He would always go out of his way to make us younger guys feel like part of the group when we all got together. For that, I would like to thank Jon. My thoughts and condolences to Jon's family and friends. While I'm not able to attend the services, I will certainly be there in spirit. Rest in Peace Jon. -Logan
