“ I was very sadden to hear about Johnno, even though it has been several years since we spoke, I always felt our families had a special connection. The Wiseman and the Van Camp families have known each other for many years. We always called Johnno whenever we needed some work done. My thoughts and prayers go out to his mom and sister.

“ Our hearts go out to your family John you were much to young the last time we spoke was memorial day parade 2 weeks after my open heart surgery you told me good luck and wished me a speedy recovery. I didn't know it would be the last time we talked. I wish your family the best.

“ We extend our sympathy to the family of Johnno. He called Jim two weeks ago and they had a long talk on the phone. We were shocked to hear of his passing. Will keep him in our prayers, God Bless, Jim & Joyce Peterson
