“*I don't even know how to express my feelings to all of you. Your  
Dad was one of my favorite even though we can't have favorites  
residents. When I was successful in getting him to an activity we all  
were happy! It was a true pleasure to know all of you. Thank you so  
much for sharing your Dad. Love, Jane*

“*My father and Mr. Szymula drove to work together for many, many  
years. Thinking of the family at this time.*

“ My dear and favorite cousins, Pat and Bill, Barb and Fred, Cathy and Barry, Mark and Mary, Johnny and Carol, Joanne, Rick and families. So many years have gone by, but my fondest memories are with my Szymula cousins, Aunt Audrey and Uncle Joe; summers, sleepovers, communions, weddings, reunions, and now Uncle Joe's homecoming to Heaven. We'll see him again. My love, prayers, comfort to you all in this time. I think of Uncle Joe, your Mom and my Dad in Psalm 92:12-15. "They were living memorials to show God is faithful to His promises." Love, Cousin Jeanne, Dave, Rachelle, and Jonathan Taylor.

“ Dear Mark, Mary and family, We would like to take this time to offer you our sympathy on the death of Joseph, and the recent death of his brother. While it is difficult to absorb the meaning of death, it is the celebration of their lives that helps to sustain us in these sorrowful times. I know that your father is at peace and does not wish you to mourn, but to remember the good times that you had as a family. Please do not hesitate to contact us if you need anything. Respectfully, Keith and Boni
