“ I am very sorry to hear about Joe. During my years at ANR Pipeline, I did get the opportunity to work with Joe on various assignments related to accounting and volume control. Joe was always a very hard worker and respectful of others. God bless his family during this difficult period.

“ We had the pleasure of working with Joe on many KHS Drama Club productions as members of the Supporting Players---he was quiet, creative, resourceful, hard working ---all mixed in with a bit of dry humor and a ready smile. You are all in our prayers. Linda and Bill Knapp

“ I didn't know Joe well, but I know he worked hard with our drama kids and George Raab and he always had a smile for you. We'll especially miss him at MIFA time.

“ I was sad to hear of your loss. Joe and I go way back at my days at ANRPL. Joe was the one who "recruited" me to come to Gas Control. After I interviewed with him for a position there in Gas Control, I was very unsure if I wanted to make that move. Joe came to see me in my office in Volume Management twice that week and gave me all the pluses for going. I will never forget his kind disposition but stern work ethic. The ANR GEMS system was his baby for sure. My prayers go out to you at this difficult time. Please hold on to your memories of Joe and you will smile. Regards, Maria Y. Dickerson

“ My heart is truly saddened by loss of Joe. Back in the 1990Æs, I had the pleasure of working with him on several natural gas industry committees. He was invaluable in these efforts because he knew the details and subtleties of his business but also saw the ôbig pictureö as well as anyone around. Joe was a great guy will be missed by all who knew him. My prayers are with his family. Clancy Aschbrenner Colorado Springs, Colorado

“ I'm so very sorry for your lost. Joe was a fair and kind man. I began my career at ANRPL with him as a temp in Gas Control. He created a job that allowed me to remain in his department. May God continue to bless your family through this extremely difficult time. Many blessings and prayers!
