“ Kelly & Mr & Mrs Stawicki, I heard the sad news from my parents last night and want to offer my condolences to each of you and your families. Thinking of Joe made me reflect on growing up and attending Trinity School. I wish there was a way I could get up there for the funeral. God's Blessings to you. Paul Rearick Jacksonville, Florida

“ My Dear Nephew Joe, You have been kind and thoughtful throughout your life. Your wife, parents, brother, children, relatives, friends, and all who knew you will remember all the great things you have done. I remember seeing how proud you were when your children were born. Camille, Joseph and Devin are truly blessed to have such a devoted and loving father. Being a teacher, I encounter many children who truly need the love and support you have given your children. You will be missed dearly.

“ Dear family: I worked with Joe at the Flagstar Bank, Royal Oak Loan Center last year. Joe was a delightful guy, and I enjoyed working with him. He mentioned his children often and I know he was a caring Dad. I often stopped by his desk and discussed the pictures of exotic cars he had displayed on the calendar by his desk. Joe was very helpful and shared his knowledge of the Florida loan market with me. He was a good man and you can be very proud of him. He always had his family in the forefront of his discussions with me. He will be with you always. Ernie Browne
