“ *First thoughts of Joe are about how devoted he was and cared for his family...Pam and Jeanette. He is and will be missed by everyone that enjoyed his presence. Joe was a long-time unusually great friend. In the early years he helped build a cabin in the UP woods, we camped and travelled together and yes, even got into a bit of mischief. Lots of trips to the UP in the winter to play in the snow. He was always eager to do most anything that was suggested. We participated in each others weddings and our families enjoyed 50 plus NewYear's Eve/Day celebrations together. Joe will be missed.*

“ When we think of Joe it's always the love, respect and honor he showed every family member. He was there for many people even if it was through his quiet presence. Of course we cant forget the many conversations about Ford motor, the uaw, retirement plans. And the cooler that came into the house or stayed on the porch at all family get gatherings that had his beer. He never had bad word about anybody. We will miss you Joe. May you rest in peace and be embraced by the many loved ones waiting for you. Debbie and Jim Williams
