“ "Hey Joe D!" Everyone called him when he came in the shop, every Monday & Friday when he came in to go to lunch with Mac. With a big smile he'd always answer "Alright, Alright". What a GREAT man! He always talked so positive. He loved his family & kids. He treated our family & kids like they were his, and we loved having him at our Holidays & family functions. He was the Best friend to Mac, and treated him like a brother. Their Saturday's to the all the hardware & tool stores & lunch. So many people knew & loved him! He was so nice, he never went in one of the stores and didn't buy something. He must have a 1000 screwdrivers! We all love & will miss you Joe D, so much!

“ Uncle Joe was the kindest person I know. I treasured our telephone calls. No matter who he talked with, he made that person feel so good because he listened, gave his full attention and sagely advice. Whenever he came back east for a visit, word would get out. Family and friends would gather around him. It was a visit not to be missed. But miss him I will. I will miss seeing him on Cobbetts Pond. I will miss the phone calls; however, I can still hear his wonderful voice in my memory. I will miss you Uncle Joe, Love , Jerry Joaquim

“ We are so sorry to hear about your dad. He was such a wonderful man and his smile would light up a room. We have known him for a lot of years. Many dinners with your mom & dad. We saw him in September when my Aunt passed and I know my Uncle Dominick will really miss him. That was his buddy. Our Love & Prayers go out to your Family.

“ We will all miss Joe so much! With the exception of my dad I have never met a kinder man - his smile lit up the whole room. The last time I was with Joe I won quite a bit of his poker money and really wanted to give him a chance to win it back. Well Joe, maybe you can play poker in heaven with my dad and brother - make some of that money back! I love you and will miss you. Margie Printz
