“ I don't know where to start but I remember the time I asked Joe if I could marry his little girl. We went out for coffee at the Big Boys. I asked if I could marry Suzanne and he said how are you going to take care of my daughter? I said if I have to get two jobs to take care of her then that is what I will do. He said that all I need to know so yes you can marry her. So over the year I got to spend a lot of time with my father in-law Joe. We have spent time hunting and hanging out up north together. He has been a great man to me and my kids. Going up north this summer will never be the same without my good friend to sit and have coffee with. You will be missed more then words can say. Love Dean

“ I've had a lot of time the past few days to think and remember you. There is so much that you have done in your life that I look up to you for. For all the years you spent as a hardworking fire fighter, a DPW worker for the city of Utica, a member of your jazz band, and being a loving, caring grandfather, you have been an inspiration to me. I'll always look up to you as a hero and hope to be half the man you were grandpa. I love you and miss you up north won't be the same without you but I know your looking down on us now.

“ I remember when Joe and my sister, Nancy, started dating and how happy she was when they married. He also was a great stand in for my father when he walked me down the isle on my wedding day.

“ *Joey was so musically talented and he and his band played at our wedding nearly 50 years ago - August 23, 1969! He was amazing. Due to the geographical distance between us, our visits were almost non-existent, which is regretful! This is Dot Shorkey (Houghteling) and my husband Ron Shorkey. Joey will not be forgotten. We wish all who knew him healing and comfort at this difficult time!*

“ When I first met Joe through my older brother - he kind of scared the crap out of me.
But over time I got to know that he was a fun, caring, solid, good man.
He'll be missed by all that knew him.

“ Going up north with grandpa was one of my best memories out of many. I loved riding around in the tractor with him and listening to all of his stories
