“ *Dear Patrice and Tim: Sorry I can't be with you at this time. I shall remember Joe as a good lad, and a proud Marine. We always had a good laugh in each other's company. He will be remembered at the Marine Corps Birthday Celebration at the Rathskeller in November. God Love you all. H. William Winstanley, D.O. 316 N. Madison Marshall, MI 49068*

“ *My heartfelt condolences to Joe Hill's family. I didn't know him well, but I sold him the motorcycle that he rode on his trip to Alaska. He and I would meet from time to time and enjoy some conversation. A gentleman with a big smile and jovial demeanor. May the road rise to meet you and the wind be always at your back. Godspeed my friend. Doug McLeod*

“ *I was so sad to hear about Joe's death. I remember all the crazy things he would do when I was growing up and playing with Tom at your house on Crooks Rd. I remember him always riding a motorcycle. I remember always seeing a big smile on his face and thinking that he really enjoyed the moment. I seem to remember him always teasing his brother's and sister's in some way or another. But then again all of you teased each other unmercifully but lovingly. My heartfelt prayers go to your family. “ My heart, prayers and thoughts go out to your entire family at this sad time. I was glad to have known Joe and will always remember his outgoing personality and contagious and wonderful smile. I was with my Mother now deceased a short while back at a restaurant and ran into Joe with your dear late Mother. Joe invited us to sit down with them and enjoy dessert, his treat. We had just finished dinner and were on our way out so declined the invite. I wish now we would have gone back in and joined the both of them. Life is truly short. I hope in time the memories all of you shared will lighten your hearts once more. Peace
