“ I grew up with Joe and his sister Cathy because our parents were close friends. Joe was a kind , great kid and then a kind, great man. We were there shortly after Chris was born to Linda and Joe. Joe and Linda were a model to others of love and devotion to his family. So to Cathy, Joe's children and grandchildren, nieces and nephews and his fiancé we offer deepest condolences . We love you all and know he is in heaven now with Linda, his mom and dad and all his dear ones who have gone before. God bless you all.

“ I remember Joe along with his wife Linda. His mom Mrs. Betty Judnick used to babysit me and my sister Josie. He was a great guy. Now he is at peace in heaven with his wife. I was so happy for him that he was going to get remarried. Our condolences goes out to his family.

“ I first met Joe and his lovely wife, Linda, at their youngest daughter's, Lianna, 22nd birthday celebration which they hosted at Mon-Jin-Lau in Troy. Since that inauspicious beginning, Lianna and my oldest son, Nathan, have become engaged and she has become an integral figure in our family - a beloved daughter-in-law, sister-in-law and aunt.

I was impressed with Joe's charisma, story-telling, generosity and overall adoration of his family - spouse and children, grand-children and the wide circle they entailed.

Although we never really were able to spend a lot of time with Joe, we can say that one of the biggest testaments he has brought to his legacy is the beautiful, generous, loving and kind children he and Linda brought into our world. We will always love and appreciate him for his exuberance and the love and joy he has brought to our family.

Thank you, Joe, for being a good dad and for bringing so much love and joy to our family.

*"You're Forever In My Heart"
For all you were to me in life,
And all the joy you brought,
Your memory is with me,
In every single thought.
The pain I felt at losing you,
Will never go away,
But knowing that you're in my heart,
Helps me through each day.
When you were here I always felt,
That nothing could go wrong,
But you're still my inspiration,
And your memory keeps me strong.
And though my heart is heavy,
It's also full of love,
And that's enough to comfort me,
While you're in Heaven above.*

“Grief is like the ocean; it comes in waves, ebbing and flowing. Sometimes the water is calm, and sometimes it is overwhelming. All we can do is learn to swim”. Grief is not something “to get over” but it is a process of learning to live again. Grief is an adjustment to a new way of life. (unknown).

I know our dear friend Joe, wants us to carry on in his loving memory.

Surrounding each other with love, hugs and prayers.
