“ I received the *SHOCKING* news of Joseph 's death via e-mail from his last room mate, for whom I am eternally grateful for informing Me of this very unfortunate news. Joseph most certainly was loved by many and will be missed by all who knew him or knew of him. Although I am disturbed by his Death as he loved life so , and took very good care of himself last I saw and knew of him , I am happy to know that he is at last at peace. He's lived a wonderfully interesting life and has left behind as many memories of him as he carried with him. Forever, Francine
