“ *To the Klukay Family: Pete Maceroni and myself paid our respects last night. I am an attorney in Clinton Township and Pete is a Macomb County Circuit Court Judge. We met Joe through Shawn Burr at his Golf Outing several years back. We thouroughly enjoyed Joe's company and his golf game really helped our poor games! Since that first outing we requested to play in Joe's foresome each year and looked forward to it. He will be truly missed this year although I know Joe will be smiling down us that day. We thought we should send this note to the family to let you know who we were and how much we appreciated Joe's friendship. Bob & Pete*

“ Some people you just like being around. And that was Joe. I remember him as a good, humble man. For a few years, I was always running into him at golf outings and different events around town. He always greeted me with a big smile. My favorite memory is of skating on the same line with him at Joe Louis. He could still play at 76yrs of age. He will be missed by many.

“ My first introduction to the National Hockey League was listening to the Saturday night games from Toronto.. and being proud to hear Foster Hewitt saying so many nice things about Joe Klukay.. he was from the Ontario side of the river, but he was a Soo boy to us.In later years it was such a privelege to know and be friends with Joe... he was a great person.. and we'll miss him.

“ Deeply saddened to hear of Joe's passing. He has been a big part of my life and I will have wonderful memories of him. He was one of my best golfing partners whenever he came to the Sault. Will miss his impromptu visits. You just never knew when Joe was going to show up!! Our condolences to Francis and Debbie and family.
