“ To my amazing Uncle Joe, No words can even describe how I feel right now. I am so glad that you were able to be such a huge part of my life. I thought of you as my grandpa. Since I was a child you were always there for me. "Jo Jo Potty!!" will always be a memory that I will deeply cherish. Whenever I needed someone to talk to you were always there for me. Over the past 3 years when you were sick I was able to spend a lot of time with you even living you with you for a few months here and there and have great memories that I will remember the rest of my life from it. Oatmeal will never be the same for me! I have to say you were quite the pro when it came to making oatmeal. I will miss you dearly and not a day will go by that I won't think of you!! I love you so much and will never forget your beautiful smile!!! Love, Jenna

“ To the family of Uncle Joe: he sure was a handsome fellow. You are all in my thoughts and prayers at this time. It is tough losing a parent. I guess time heals but you still miss them like mad. I'm Zyg's granddaughter, Stacy. Ric's daughter. Take care and God Bless you all.

“ Dear Joan, We were so sorry to hear about Joe. I'm comforted by the fact that I got to see him last month. May God look over you and give you peace and strength. You are in our prayers. Sorry we can't be there. Mom was so sorry to hear the news, also. Love from all of us.

“ Dear Joan, I was deeply saddened to hear of the passing of your beloved husband. He will be greatly missed by all of us. I'll always remember his sense of humor! I will not be able to make the funeral, but I will have a mass said for Joe by the Franciscan Friars in his memory. May God give you strength to endure. Stan
