“ *Dear Mary, Please accept my family's condolences. My years as your brother's friend were such a gift. His humor and ironic observations provided many smiles. Thanks Joe for always cleaning up the toast crumbs.*

“ *I had the distinct pleasure of serving as Eucharistic Minister to Joe for the past 6 months. In that time I had struck up a friendship with Joe and came to appreciate his rare sense of humor and his dry wit. I considered Joe a friend and am deeply saddened by his passing. I saw Joe on Thursday, the day before his passing, and administered the Eucharist to him. I have a great sense of satisfaction that Joe received our Lord the day prior to his joining him in everlasting peace. I will miss our weekly visits but I know that my life has been enriched for having met Joe and spent time with him. May he walk in the light of the Lord and be at peace.*

“ Joe was one of those few very successful people who leave the world just a little bit better than they found. May he be justly rewarded for such a great achievement.

“ I never met Joe, but I was on the prayer list with him at St. Theresa Parish. I spoke to him several times and was suppose to meat him at a luncheon given by the parish on Wed of this week. I was truely sorry to hear of Joes passing and will pray that Jesus puts His arms around him and welcomes him into Heaven to spend eternity with Him.

“ I was a teacher where Joe had worked. He was one of the nicest men I had ever met. He was a hard worker that always made me smile when he would come into my room at the Ford high school store. It was sad when he left to retire, it is truly a sad day today.
