“ Dearest Grandma Jo, Heaven gained an angel on February 27th. I will miss you more than anything. I will never forget all of the wonderful memories we made since I was a little girl. I will forever be your "Dollie" I was so blessed and honored to have you as my Grandmother. You will always be in my heart. I'm forever thankful that you were able to know my son Allen. He loves you so much. I know that we will see each other again someday in heaven. We love you!!! Love, Deanna Marie Dollie
