“ Jeff, Becki and Bill, I am so sorry to hear of the passing of your mom. She was a great lady and like a 2nd mom to me during my high school years. She always had time to chat and most of all LISTEN. I will remember her especially at Christmas--she was always JOY to the World! Love to all of you, Donna Green Krueger

“ I never met Mrs Cutter, but you can often tell the character of the parent by the character of their children. I know Jeff Cutter to be an honorable hard working, servant of the community. I expect that Joy Cutter was the same

“ Again, I am so sorry for your loss, Becki! I didn't realize that she and my Grandma shared a birthday -- she and my Grandma sound like they were both firecrackers :. I will be out of town at a teacher's conference Thursday and Friday, so I won't be able to attend the services, but wanted you to know that you are loved and that I am praying for God to give you an extra measure of His peace. You will get through this, My Sister. Thank God that she's healthy and whole once again!

“ Jeff, Bill, and Becki, I was very sorry to hear of your Mom's passing. She was such a special person, and I will always remember her with fondness and admiration. I share memories with my children of our life growing up on McConnell Court. I will never forget her putting up with me as a little girl, and always answering my never ending questions. I pray for peace for all of you and your Mom. Take care.

“ *To The Cutter Family, Joy I only ever knew her as Mrs. Cutter was a person who left a lasting impact on me. I am thankful to have grown up having her just across the street as a neighbor. While going door to door for school fundraisers she would often invite me into her home to sit and discuss the happenings in my life and give useful insight. Who I am today is a reflection of many influences, Joy Cutter was one extremely positive influence. Wish I could be there. She will be missed. My sympathies go out to the whole family.*
