“ *I grew up with Joyce's son Garald.
They treated me like an adopted son, and went many places with
them as I grew up.
Joyce was my den mother when I was in the Scouts.
When Gary would walk past my house, on the way to the bowling
alley, as kids, he would always stop to see if I wanted go with him,
and he always has extra change for me, if needed...
Joyce was a very loving person.
Always in my prayers... God bless.*
